

GROUND TRANSPORTATION OPTIONS

The San Diego airport is 30 miles from La Costa. Travel time via cab or town car is 35 to 40 minutes without traffic.

Cloud 9 Super Shuttle

Shuttle service is available 24/7 at the airport across from the baggage claim area marked "Shuttles for Hire". The cost of the transportation is \$33 each way. Coming to La Costa you can just walk up to the shuttle service and they will put you on the next shuttle. Maximum wait time is between 10 to 15 minutes. For the return trip to the airport, the concierge can book a reservation for you. This service is a share ride which makes up to 3 stops. Depending on the stops, you should allow 1 hour or possibly longer for this transportation.

Taxi Service

There are cabs readily available at the airport. However they are metered cabs so it will be at least \$100 each way for this cab fare.

The La Costa Concierge can arrange for a taxi service to pick up at the airport for a fare of \$90.00 plus gratuity. They will be there by the baggage claim area waiting for you with signage. To book this taxi service, just call the Concierge at 760/929-6378. They will need your name, cell phone number and the flight information. Return taxi service to the airport can also be arranged through the Concierge.

Limousine and Town Car Service

The on-property provider is La Jolla Elite. They have town cars and limo services available. The cost for a town car is \$135.00. To arrange for this transportation, please call them directly at 858/459-9077.
